PROJECTS

Roots India company ltd.

A study on employee satisfaction towards employee welfare schemes.
25 - sep - 2021 – 25 - oct - 2021

In the company, my role is to find employees' satisfaction levels for companies' welfare schemes, observe their behavior, know their problems, and suggest solutions to the company.

Business tycoon

It was an inter-college project for Anand and Vidhyanagar colleges.
We won the award for a unique idea.

My responsibility was to look after all members and make resources. I also look after profit and expenses and how to work with the team.
