

Patel Devkumar Nayankumar

Full Stack Developer | MCA Student

ABOUT

I am a passionate full stack developer and an MCA student at Gujarat Technological University (GTU) with a solid foundation in software development and programming. I have a strong academic background with a Bachelor of Computer Applications (BCA) degree from Sardar Patel University and currently pursuing my Master's in Computer Applications. I am skilled in PHP, React, MongoDB, AI, ML, and Python, and fluent in English, Hindi, and Gujarati. I enjoy solving complex problems and am motivated by innovation, demonstrated through my participation and achievement in hackathons. I am eager to apply my skills in real-world projects and contribute effectively to technology-driven environments.
